Sir,

Sub: Textiles - Cotton yarn - selection of dealers - South Kanara District.

Ref: Letter No. Ref. C.No. 20196/T2-48-(Confidential) dated 11th October from the Collector of South Canara.

-:-:-

I forward herewith the letter referred to above and offer the following remarks:

The Collector has selected only four wholesale dealers while the number required is eight. He has observed that four wholesale licences are enough. As the total quantity of yarn to be distributed through trade channels is 115 bales, each wholesaler will get about 29 bales while the dealers of other districts will get only 15 bales. With a view to ensure uniformity, the Collector should select either four more wholesalers or the quota of yarn to be distributed through trade channels should be reduced.

2. Subject to the above remarks, the Collector's proposals may be approved.

Sir,

Subject: Textiles - Yarn - Distribution Scheme - Arrangements - Selection of dealers - report - submitted.

Reference: G.O.Ms.4729 dated 17- 9- 1948 (Confidential

In accordance with the instructions issued in para 15 of the G.O. cited above, I convened a meeting on 30- 9- '48 to discuss the question of the selection of wholesale and retail dealers in yarn for this District and the various problems relating thereto. The meeting was attended by five M.L.As., Sri. K.R.Karant, Dr. U.P.Mallya, Janab H.S.Hussain, Sri. K. Ishwara, Mr. L.C.Pais, one M.L.C. Sri. D. Manjayya Hegde, the President of the S.K.C.C.W.Stores, the Deputy Registrar of Co-operative Societies, the Commercial Tax Officer, the District Superintendent of Police and few other Revenue officer of the Disrict Including the Textile Control Officer.

2. Eleven co-operative Societies have been selected by the Deputy Registrar of Cooperative Societies for distribution of yarn to all the members in the co-operative fold and 813 looms of non-members only. Taking into consideration the areas of operation of the above societies and the number of looms each Society serves, I have selected in consultation with the M.L.As and others, four wholesalers and fourteen retailers for the distribution of yarn in this District, in areas not served by the Co-operative Societies. I enclose a list in duplicate of the wholesalers selected by me (Appendix I) and also a list of new entrants to the retail trade (Appendix II) also in duplicate, for confirmation by the Government. Four copies of the complete list of retail licensees will be sent to the Provincial Textile Commissioner, as soon as the list of fresh entrants submitted by me herewith is approved by the Government.

3. Eight applications in all were received by me for wholesale licence in yarn, out of which three were from dealers in Mangalore who were holding wholesale licence during the previous control period and the rest, from new entrants. I am of the view, that only four wholesale licences are enough for this District. I have, therefore, selected the three old wholesalers from Mangalore Town and one new entrant, W.A. Karkada from Udipi, who has got good experience in yarn trade. The Handloom Textiles Marketting Association Ltd., Udipi, has been classified as reserve, as two wholesalers are unnecessary at Udipi.

4. The meeting held on 30- 9- 1948 to discusss the question of the selection or dealers was of the view that one

7

dealer for Kasargode, two for Udipi, one for Coondapoor, and one for Moolky would be enough and the rest could be selected from Mangalore Town to serve 3019 looms. As there were not enough number of applications from suitable persons from Mangalore town, I have selected six old dealers and three fresh entrants whose names I have furnished in Appendix II. There were no applications from Harijans.

p.7 below

5. In the above circumstances, I request that orders may be passed confirming the selection of wholesale dealers communicated in A ppendix I and of fresh entrants to retail trade (Appendix II).

2. A copy of the remarks of the P. T. C. in his letter cited is forwarded to the Collector of South Kanara. The Govt agree with the P. T. The Collector is requested to report urgently which of the alternatives he prefers. Pending a final decision on ~~this question~~, the quota of yarn

to be distributed through these four dealers should be allotted to the Madras Handloom Weavers Prov. Coop. Society for distribution to the retailers etc. selected by the Collector. The R.C.S. is requested to issue necessary instructions to the Prov. Society in the matter.

3. The Collector has selected only 14 retail dealers for the district against 23 required with refce to G.O. No. 4729 Dev dy 17.9.68. He is requested to report urgently whether it is not advisable to increase the number of retailers for the district to 23, for reasons similar to those advanced in respect of increasing the number of wholesalers. He may, if necessary, select the additional wholesalers and retailers required for the district and submit their names to Govt through the P.T.C. for approval at an early date.

Of the four dealers selected by the Collector one (viz 25%) is a new entrant. The selection of this new entrant was necessary as there were only three old dealers in the district. The four names selected by the Collector may ∴ be approved

2. The number of retailers required for the district is *23. Against this, the Collector has selected only 14* dealers. He may perhaps be asked to consider the feasibility of increasing their number to 23 and if necessary, to select the additional dealers required and submit their names to Govt thro the P.T.C. Out of the 14 retailers selected by the Collector, four (viz about 29%) are new entrants. This high percentage (of new hands) was necessitated on account of the popularity of old dealers and hence, the names of these four new entrants may be approved.

TEXTILE - Yarn - Distribution Scheme - Selection of few more retailers - List - Submitted.
Ref: This office Ref. 20196/T2. 48 dated 11-10-48 and 10-11-48.

In addition to the 23 yarn retailers selected for this district so far, it was found necessary to licence one more retailer at Puttur, one at Karkal and 2 more at Kasaragod, as it was not possible to link up the looms to the nearest retailers without causing much inconvenience to the loom holders. I have, therefore, selected the following four more dealers for retail distribution of yarn.

(1) K. Mohammad Musaliar, Puttur.
(2) U. Padbanabha Naik & Sons, Udma, Kasaragod Taluk.
(3) P. V. H. Ibrahim, Hosdurg, Kasaragod Taluk.
(4) A. S. Kurshid, Hassan, Karkal.

2. Of the four dealers mentioned above, only No. (4) A. S. Kurshid Hassan, Karkal is a new dealer. He was selected as no old dealer applied from Karkal Town. The other three are yarn dealers who held licences during the previous control period also.

The selection of the new entrant, A.S. Kurshid Hassan may be kindly approved.
